Lincoln Man Sentenced on Federal Drug Charges

Bangor, Maine: United States Attorney Paula D. Silsby announced that **James White**, 42, of Lincoln, was sentenced on June 12, 2007 in U.S. District Court in Bangor to 90 months in jail and 8 years supervised release. White was charged with manufacturing marijuana, and pled guilty to that charge on January 3, 2007.

Court records reveal that, as the result of the execution of a search warrant at White's Lincoln, Maine residence on April 26, 2006, law enforcement agents discovered an indoor marijuana grow operation in the basement. Agents seized 343 marijuana plants, grow lights, a surveillance camera fixed at the front door of the residence, an address book, cellular telephone and ammunition.

United States Attorney Silsby praised the investigation conducted by the Drug Enforcement Administration (DEA) Task Force and the assistance provided by the Maine State Police and the Brewer, Maine Police Department.
